

Nylacast are a worldwide leader in the manufacture and supply of engineering plastic solutions. We are currently growing our engineering team and as such are recruiting for the role of:

Mechanical Design & Project Engineer

(Ref No: MDPEJAN18)

Job Description

The Mechanical Design & Project Engineer will be a key member of the Engineered Products Division, providing essential Engineering & Project support to new & existing customers.

The Main Duties will be:

- Taking control of projects from initial concept through to design to ensuring fulfillment of customer expectations
- Development of engineering solutions for customers
- Providing engineering design reporting, varying from design calculations to FEA simulation
- Working simultaneously across a variety of different projects
- To produce detailed and accurate 2D & 3D drawings for customers
- Keeping all documents up to date in accordance with the project
- Accurately issue documents to both internal and external customers
- Follow up customer enquiries in a professional and timely manner
- Work closely with the Estimating & Planning function and Manufacturing Operations team
- Domestic and international travel to customer sites and suppliers as and when required

Requirements of the role

- Degree or qualification in a Mechanical Engineering discipline, or equivalent experience
- At least 2 years of working in a Mechanical Engineering based environment
- Experience in the use of 2D drawing packages, preferably AutoCAD
- Experience in the use of 3D modeling packages, preferably Solidworks
- Competency in using Microsoft Projects
- Excellent communication, negotiating and presentation skills
- Excellent PC skills with a good working knowledge of Microsoft Word, Excel & PowerPoint
- Working knowledge of a Quality Management System – ISO or TS

Reporting to: Engineering & Technical Manager

Location: The role will be based at our global head office in Leicester, however travel may be required both domestically and internationally.

Hours of Work: Monday to Friday, 8:30 to 5:00pm with a daily 60-minute lunch break.

Equal opportunities and other information/terms:
